Pharmacy	148	\$56,210	\$380	1,334	\$758,582	\$569	\$189

*The relatively large difference is primarily the result of one or several claims exceeding \$50,000.

Notes:

- Incurred Claim Year is based on the year the patient received the service if different than the year the claim was actually paid.
- Healthier Days Study Group = Employees and Spouses covered under ABC's health insurance program and with the average monthly Healthier Days points greater than 71 for at least six months within the reporting period.
- ABC Control Group = All Employees and Spouses covered under ABC's health insurance program and not included in the Study Group.
- Data reported only when "Healthier Days Study Group Members Treated" (first column of numbers) > 30 cases.
